Co-Presidents' Message - Summer 2009

Hard to believe that fall is approaching – it seems we just got to summer. Hoping this newsletter finds you all well and safe from the storms. We got together for networking during our Annual Membership Meeting on Monday, June 1, 2009 from 5:30 to around 8:00pm. The buffet provided by Joan Bellanger of Aloha Catering was great and the company with which we shared it was even better! Nine members took advantage of the opportunity to get their professional photograph taken by Jennifer of Sentimental Moments. We were blessed with a lot of volunteers for the Committee structure both at the meeting and afterwards. Check out the website after Labor Day for the details of all the committees. Watch the mail for your public release and Community Resource Directory forms coming soon.

Our first organizational Beach CleanUP was a rousing success. Even though there was not a lot of trash to be seen in June, WMHealers and residents alike gathered and enjoyed the beautiful morning and energy generated by the intention of cleansing. Several area citizens encouraged us to do it again in the fall. Thanks Kit for the “green” idea. Special thanks to members, Alexa Erb and Linda Titus for opening their homes for two of our quarterly gatherings this summer – a wonderful time was had by all those who attended.

This quarter we are sponsoring Nancy O’Donohue at Hackley Auditorium on Sat., Sept 19, 2009 from 1-5:00pm for a class in Energy Medicine (aka Spiritual Healing in England). See enclosed poster. Please attend yourself and put up the poster anywhere where interested attendees might see it.

Here’s to a smooth transition into autumn, Kay & Kathryn – **Your** Co-Presidents

Interesting quote – Let go of blame. Let go of judgment. Free yourself to live in the infinite power that opens doors that you hadn’t seen. What you seek, will find you.
