"Anatomy for Healers ® Level 1, An Energetic Approach to the Healthy Body"

This unique hands-on approach integrating the knowledge of anatomy with the energy system of the body is appropriate for people who are new to anatomy as well as nurses and others who have studied conventional anatomy before. Building on a firm foundation in Healing Touch, Healing Touch Spiritual Ministry, or other energy therapy, new energy techniques are learned to treat most of the body systems. In addition, we have a good time interacting with other healers while experiencing the sacred miracle of the human body! This is an advanced practice study for experienced healers
