Co-President's Message

Greetings West Michigan Healers,

For those of you who attended our wonderful Annual Dinner and Meeting on June 2, 2008, you know we elected the 2008-9 Board of Directors. For those of you who missed the dinner, new Board consists of: Kathryn Koches & Kay Bazzett – Co-Presidents, Michelle Tennison – Vice President, Alexa Erb – Secretary, Sherri Hart & Martha McCune – Co-Treasurers and Katy Johnson – Board Member. Special thanks to outgoing Board Members: Scottie Purol-Hershey, Helen Rowe & Sue Kent for their many years of faithfilled service as Board/committee members and/or officers. It has been our great privilege to serve with you.

In Eckhart Tolle's *A New Earth*, you may have read that this is a time in history ripe for a raising of the collective consciousness for a new way of BE..ing in the world. As West Michigan Healers, Inc. enters its second decade, we need to be ready as healers for this elevation. The new Board will be meeting this month to re-center & ground around our service to the members and the community. We may be operating a little differently – more by a variety of committees than the Board members themselves taking major responsibilities for all the activities of the organization. Our wonderful new Membership Committee has been the wayshower for this shift as they came together to help serve the members. Their immediate goal is to meet a deadline of September to publish your Membership Directory and after that the Community Resource Directory, which as been one of our long-term goals.

So as A New Earth Consciousness blossoms, think about how you can best serve West Michigan Healers, Inc. with YOUR individual time, talents and treasures. We are an organization of such gifted individuals – the best thing about gifts is they need to be shared. The Board has already decided to have more gatherings during the year for members to just get together and learn more about each other. Watch this Newsletter and the newly developing website for notifications of upcoming events. And members are always welcome to come visit the Board which this year will be shifting its meetings to the first Thursday of each month. It is likely that the time and location may vary so keep in touch with any of the above listed Board members (and the website) for more information. It has oft been said that, "No one can do everything but everyone can do **something**". The 2008-9 WMH Board is looking forward with joy AND anticipation to all of our collective **somethings**. Your Co(Operative) Presidents, Kay Bazzett & Kathryn Koches

Good Vibrations has a new person handling the publishing of the quarterly newsletter. Ann Ross, Bear Heart Reflexology and Scar Repair will be handling the collecting of information and other pieces.
