

13th Octave LaHoChi

The next step in Energy Healing

What is 13th Octave LaHoChi

LaHoChi is an ancient hands-on healing modality that conducts life/God force and infuses the individual with wholeness and well-being. The knowledge and power of the LaHoChi was hidden for many centuries but brought back by Lau Tzu, the father of Taoism.

“La” means Light and Love of God. “Ho” means Movement. “Chi” refers to Life Force. Hence, LaHoChi is the movement of light into your body at the speed of Love.

The 13th Octave is a process of conscious union within the heart of God; an awareness that is anchored deep within your heart. When LaHoChi is joined with the energies of the 13th Octave the squaring effect is comparable to a nuclear reaction.

What happens during a 13th Octave LaHoChi Treatment?

13th Octave LaHoChi treatments do not involve massage and thus can be given in a variety of locations.

At the beginning of a treatment a seal of divine protection is formed around the client and practitioner.

During a treatment the client remains fully clothed. Treatment may be given while the client is lying on a massage table, or sits in a chair.

The practitioner lightly places their hands on or above key positions (usually the chakras) of the body to facilitate the flow of healing energy.
